

TURNING CHALLENGES INTO SOLUTIONS

Here at Häfele America Co., we specialize in finding solutions – for you the designer, architect, woodworking industry professional and large-scale manufacturer – as well as your clients and end users. From Häfele’s founding in 1923 and Häfele America Co.’s beginnings in 1973, we have drawn upon the collective experience of our people to bring you the finest products and our unparalleled expertise in the industries we serve.

ARCHITECTS

With us you’ll find a wide range of quality products to add functionality and complete your design.

DESIGNERS

We know that beauty and utility can coexist – and that you’ll stop at nothing to get your customers the best products to meet their needs and your vision.

CABINET MAKERS & MILLWORKERS

Yours is a craft covered in sawdust and anchored in excellence. And our products make your work easier to put together, add appeal and stand the test of time.

LARGE-SCALE MANUFACTURERS

Thoroughly knowing your business, the products you sell and your customer base is the key to our continued, mutual success.
